

### 3. RAZRED – POUK NA DALJAVO – PETEK, 17. 4. 2020

- V torek si spoznal/a še nekaj novih besed. Poskusi ob tej sliki zapeti izštevanko tako, kot to počnemo v šoli. Are you ready? 1, 2, 3! [Dinosaur body chant](#) (poskusi 2x)

(vir slike: First Explorers 2, UČB, Oxford University Press)

- Če ti besede ne grejo še prav dobro, jih še malo ponovi: [Dinosaur body parts](#)
- Natisni (ali preriši) učni list in ga reši.
  1. Dobro poglej vsakega od treh dinozavrov in s kljukico označi tiste dele telesa, ki jih ima.
  2. Dopolni povedi z ustrezno besedo. Prva črka manjkajoče besede je napisana.

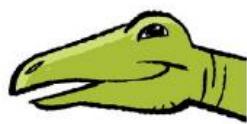

It's got = ima

It hasn't got = nima

Izberi vsaj tri pesmi s seznamoma in ob njih zapleši – če ne utegneš danes, lahko tudi kak drug dan (na primer za sprostitev in telovadbo po uri matematike 😊).
