

NAVODILA ZA DELO

- UČB, str. 59

Oglej si sliko. Kateri deli živali so povečani s povečevalnim steklom?

Poglej in preberi besede pod sliko (poslušaj jih lahko [tukaj](#)).

Poslušaj pesem [Animal fun](#) in sledi besedilu v učbeniku.

O katerih dveh živalih poje pesem?

Which animal has got big scales, big claws, lots of teeth, short legs, a long nose? It hasn't got feathers. It's a crocodile!

Which animal has got big hands, big feet, lots of hair, long arms and small ears? It hasn't got whiskers. It's a gorilla!

Pesem [Animal fun](#) poslušaj še enkrat.

- V zvezek napiši naslov **Animal fun**.

Prepiši besede:

FEATHERS – perje

HAIR – dlaka

WHISKERS – brki

CLAWS – kremplji

TEETH – zobje

SCALES – luske

WINGS – krila

TAIL – rep

MOUTH – usta

EARS – ušesa

EYES – oči

LEGS – noge

- Nauči se pravilno izgovoriti besede. Vadiš lahko tukaj:

[Parts of an animal 1](#)

[Parts of an animal 2](#)

[Parts of an animal 3](#)

- **Dopolni opise živali. (Če nimaš možnosti tiskanja, povedi napiši v zvezek, živali pa nariši.)**
